COURSE DESCRIPTION

The study of history can be said to be a part of humanities and social sciences. It helps gain insights into historic events, practices, cultures, languages, art and more. The term history is an umbrella term. It is a very vast domain and consists of many different areas of study. Some such popular areas are History graduates have access to multiple job opportunities. Bachelor of Arts in History or B.A History is a undergraduate degree programme that teaches the students how human civilization evolved to the present time from the prehistoric times. Throughout the duration of the programme, the students get to know about the global and Indian major historical events. By the end of the course, a History graduate has more than just knowledge about culture and society and what are those factors which propel the development of a civilization namely power, religion, economy, culture etc.
