## COURSE INFORMATION

Learn the principles of conflict resolution, how to use positive conflict, and how to communicate effectively across cultures. You will learn how to develop your personal and professional relationships by constructively addressing conflicts between individuals and within organisations in this Specialization. You'll learn how to manage intercultural disputes in today's global society, as well as how conflicting interests and goals, power imbalances, and other factors influence the nature of conflict and conflict management tactics. In the Capstone Project, you will study a specific conflict and design a strategy for conflict management and resolution.
