COURSE DESCRIPTION

Electrical and Electronics Engineering is a popular engineering course that imparts knowledge related to electrical and machine technology, circuit analysis, telecommunication systems, power engineering and its related industries. Electrical and Electronics Engineering course also emphasizes the manufacture and design of electrical devices and the integration of their components into complex systems. Students study a wide range of disciplines, like signal processing, control systems, radio frequency designs, electrical machines, microprocessors in this course.

Our Subjects

YEAR 1

- Basic Electronics
- Business Communication
- Circuit Analysis
- Robotics s
- HR Management

YEAR 2

- E-Commerce
- Electronical Engineering Environmenta Protection
- Essential of Management
- Foundation Design

YEAR 3

- Total Quality Management Organizational Behaviour
- Safety at Workplace
- Occupational Health and Hazards
- Network Analysis and Synthesis

ABOUT US

N.I.M.S is a division of Norwich Group based in South India for more than a decade. Norwich Institute of Management Studies helps in training, online courses and online exams. All the online courses and exams will be well monitored by the institution and, the provided certificates are ISO certified and can also be used for International Travel and study based programs.

Exam & Duration:

Online Exam: 2 hours/paper

Total Fees For Indian Residents : Rs. 47790*

Total Fees For Foreign Residents : US \$ 815

**Terms and conditions apply*
