COURSE DESCRIPTION

Masters in Electronics is a advanced level Electronics Engineering course. Electronics is a science branch, deals with the study of flow and control of electrons (electricity) and the study of their behaviour and effects in various spheres. Electronics is the brain of modern technology. Even the computer is an electronic device. It is an evergreen subject that provides opportunities for technicians in the following areas of Engineering like maintenance & service, research assistance, production control, quality control and marketing. The duration of the course is 2 years. After passing the course, students have wide job scope both in private and government sectors in India and abroad. Masters in Electronics also provides many choices of subjects for further higher studies like electronics, instrumentation, telecommunication, medical electronics and computer science.

Our Subjects

YEAR 1 (Sem-I)

- Essentials of Management
- Basic Electronic Engineering
- Communication Systems
- Signals & Systems
- Computer Networking
- Reliability Engineering

YEAR 2 (Sem-III)

- Microprocessors
- Digital Signal Processing
- Power Electronics
- Environmental Science and
Engineering

YEAR 1 (Sem-II)

- Analog Integrated Circuits
- Antenna & Microwave Engineering
- Network analysis and Synthesis
- Digital Electronics
- Automatic Control Systems

YEAR 2 (Sem-IV)

- Wireless Networks
- Analog Electronics
- PROJECT

ABOUT US

N.I.M.S is a division of Norwich Group based in South India for more than a decade. Norwich Institute of Management Studies helps in training, online courses and online exams. All the Certificates are affiliated from International Council of Distant Education (ICDE). All the online courses and exams will be well monitored by the institution and, the provided certificates are ISO certified and can also be used for International Travel and study based programs.

Exam & Duration:

Online Exam: 2 hours/paper

Total Fees For Indian Residents : Rs. 74000*

Total Fees For Foreign Residents : US \$ 1300*

(*Terms and conditions apply: Rate is subject to change according to GST/tax and conversion rates)
