

# ADVANCE DIPLOMA IN METALLURGICAL ENGINEERING

 [www.nimslearn.com](http://www.nimslearn.com)

**Eligibility: 12th Pass**

**Experience: 2 Years**

+91 90377 02200

**Duration : Regular (2 Year)**  
**Fast Track Available**

## Course Description

Advance Diploma in Metallurgical Engineering is one of the popular courses, and students who are inclined towards the excavation and testing of metals can choose this course. Through this course, the candidates are offered theoretical and practical knowledge in terms of basic concepts of Metallurgical Engineering such as Metallic property, metal excavation technology, Metal testing process, metal protection & heat treatment, etc. After completing a course in Advance Diploma in Metallurgical Engineering, the candidates can opt for various career opportunities and job prospects.

## ABOUT US

N.I.M.S is a division of Norwich Group based in South India for more than a decade. Norwich Institute of Management Studies helps in training, online courses and online exams. All the Certificates are affiliated from International Council of Distant Education (ICDE). All the online courses and exams will be well monitored by the institution and, the provided certificates are ISO certified and can also be used for International Travel and study based programs.

## Our Subjects

### Year 1

- Physical Metallurgy
- Metallic Materials
- Material Science & Steel
- Material Science of Non-Ferrous Metals
- Process Technology
- Essentials of Management

### Year 2

- Heat Treatment of Metals and Alloys
- Ferrous Process Metallurgy
- Non-Ferrous Process Metallurgy & Casting
- Metal Forming, Process & Plant Engineering
- Thermodynamics
- Heat Transfer

## Exam & Duration:

**Online Exam: 2 hours/paper**

**Total Fees For Indian Residents : Rs. 37760\***

**Total Fees For Foreign Residents : US \$ 650**
