EXECUTIVE DIPLOMA IN RISK & SAFETY MANAGEMENT

Course Description

This course is one year course and it is designed for students for professional development. Successful students will achieve practical skills to progress their careers within their professional careers. The course would be of interest to students from a wide-range of backgrounds and professions who are looking to further increase their knowledge and develop their careers. Our qualifications are developed based on extensive research with health and safety professionals, employers, professional bodies and regulators to ensure that they remain relevant and rigorous as well as achievable and practical.

You will be assessed on your ability to apply your skills and knowledge to a wide range of issues and how to deliver positive change to a real workplace.
