

DIPLOMA IN TELECOM MARKETING AND MANAGEMENT

**DURATION : REGULAR (1 YEAR)
FAST TRACK AVAILABLE**

The right & deemed fit students will be provided with 100% placement assistance.

Eligibility: 10th Pass

Experience: 1 Year

Course Description

The telecommunications business environment is rapidly changing. Recognising and maximising opportunities is becoming more challenging and complex. This programme provides participants with the fundamentals skills to thrive within the modern telecoms business environment. Underlying awareness of all facets of the telecoms industry is essential to business success. Based on this, the diploma in telecoms technologies and business strategy offers students the opportunity to study a wide range of topics and to focus on either business, technology, or a mix of the two.
