

DIPLOMA IN ARCHITECTURAL ENGINEERING

**Duration : Regular (1 Year)
Fast Track Available**

Eligibility: ITI/ Diploma

Experience: 2 Years

Course Description

A Diploma in Architectural Engineering provides students with a foundation in architectural design, building construction, structural concepts, drafting, and technical drawing. The course helps students understand how buildings are planned, designed, and constructed while developing practical skills in architectural drafting and construction practices. It is suitable for those looking to build a career in architecture, building design, construction, and related fields.
