## COURSE DESCRIPTION

MA Psychology is one of the most opted for specializations in the post graduate degree of Master of Arts (MA). MA Psychology course which is completed in two years, spread across four semesters. The programme is dedicated to psychology and students enrolled in the course study about human behavior and human psychology. MA Psychology provides a comprehensive as well as a thorough study of psychology as a discipline. The areas covered in the course of MA Psychology are crisis management, motivation and nature of mind, mental processes, conflict resolution, reactions, groupthink, feelings, etc. The objective of MA Psychology is to train students so that they are capable of identifying emotional, psychological, and behavioral issues as well as specific disorders.

### CAREER OPPORTUNITIES

Nowadays, the demand for professional psychology is rising constantly in several sectors. With people finally being able to talk about their mental health issues, the need for professionals in the field of psychology is becoming quite important. Trained people with an in-depth knowledge of psychology are recruited at welfare organizations, community mental health centers, colleges, hospitals, clinics, etc.
