COURSE DESCRIPTION

The Refrigeration and Air Conditioning course provides students with theoretical knowledge and practical training to install, service, maintain and update refrigeration and air conditioning systems. Upon successful completion of the program, the student will receive a Diploma in 3 year. The AC and Refrigeration technician is trained to design, install, and service air conditioning, and refrigeration equipment in business, residential and light commercial offices. There is an obvious need for qualified technicians in this field and the industry is focused on keeping people comfortable. The A/C and refrigeration industry are one of the most demanding industry. In order to accomplish work completion in the given time frame, it takes a dedicated person who is willing to set goals and work hard.

Water Resource System Analysis

Groundwater Modeling and Management

Refrigeration and air-conditioning (RAC) engineers design, install and maintain cooling systems in buildings like supermarkets, offices, schools, hospitals and food processing plants.

Your work could cover one of two broad areas:

Refrigeration –

designing, installing and maintaining cooling systems in places like

Supermarkets

Restaurants

Hospitals

Food processing plants

Factories.

Air-Conditioning –

- installing and servicing systems that control air quality,
- temperature and humidity inside offices,
- schools,
- leisure complexes
- other modern buildings

Our Subjects

YEAR 1

- Essential of Management
- Basics of Refrigeration
- Basics of Air Conditioning
- Engineering Material
- Heat Transfer

YEAR 2

- Industrial Management
- Total Quality Management
- Basic Electrical and Electronics
- Safety at Workplace
- Cold Storage Technician

YEAR 3

- Field Engineer
- Non-conventional Refrigerating System
- Automobile Air conditioning
- Electrical Engineering
- Refrigeration & Air-conditioning Material

Creating a world of leaders

ABOUT US

N.I.M.S is a division of Norwich Group based in South India for more than a decade. Norwich Institute of Management Studies helps in training, online courses and online exams. All the Certificates are affiliated from International Council of Distant Education (ICDE). All the online courses and exams will be well monitored by the institution and, the provided certificates are ISO certified and can also be used for International Travel and study based programs.

Exam & Duration:

Online Exam: 2 hours/paper

Total Fees For Indian Residents : Rs. 40500*

Total Fees For Foreign Residents : US \$ 815*

(*Terms and conditions apply: Rate is subject to change according to GST/tax and conversion rates)
